

Om Jai Jai Sai Maa

Dear Beloved Global Community,

We are honored to offer Remote Sai Maa Diksha for the world.

We are entering a remarkable time for humanity, unlike any other in history. There is a Great Shift, a universal awakening occurring that will propel humankind from doubt and confusion, into a Golden Age of Love, Joy and Peace. Sai Maa tells us that one of the most effective tools to serve us in bringing humanity gracefully into this new era is the practice of giving and receiving Sai Maa Diksha.

Her Holiness Sai Maa has shared with us that we can now offer Diksha to entire Groups - for example: "The Health Care workers at St. Mary's Hospital." This opens the opportunity to offer Diksha to a list of those who complete the Global Remote Sai Maa Diksha Request Form.

To facilitate this global offering, we are using the Global Remote Sai Maa Diksha Request Form. Please share this form feely so that all beings across the world may receive the Blessings of Sai Maa Diksha. The form is created as a Google form.

- Share the link throughout your community. Use telegram groups, personal outreach, social media outlets, websites or any method that will reach as many people and communities as possible.

HOW DO REMOTE SAI MAA DIKSHA TEAMS WORK?

Global Remote Sai Maa Diksha Teams around the world offer Diksha once each day. The collaborative offering of Sai Maa Diksha from all the teams is immensely powerful!

There are currently 7 teams, and more are forming. The team members are dedicated to offer Remote Sai Maa Diksha to the group list. Teams in the US started with 6 members in Colorado, California, and the Pacific Northwest. There are new teams forming in Arizona, Europe, Australia, China and Chile.

The team lead has access to the list of Remote Sai Maa Diksha requests. The Remote Sai Maa Diksha teams can offer Diksha as individual members or as a group. For example, one team offers Diksha to the list as a group via a Zoom meeting.
